

Dear Channel Partner,

To help in supporting the TELEHOUSE Channel Partner Program and your company's participation within, we would like to extend the opportunity to add your logo and any relevant testimonial or quote you may want to add regarding the partnership with TELEHOUSE. The success of our program is very much contingent on our ongoing relationships. The addition of Channel Partner logos to our website will help to clearly identify Partner participation in our program. Our overall goal is to encourage leads that turn into sales opportunities for our respective companies. Please respond to this e-mail with permission to use your logo on the TELEHOUSE website and if you could forward us a copy of your logo via email once you approve we would greatly appreciate it. We welcome the opportunity to have our TELEHOUSE logo on your website as a trusted Partner so let us know if that is of interest to you.

Please feel free to call me if you have any questions.

Regards,
Fred Cannone, Director of Sales and Marketing
